

MAHEKGIRI GOSAI

WORDPRESS DEVELOPER

SUMMARY

Senior WordPress Developer with 4+ years of hands-on experience in custom theme and plugin development, WooCommerce, ACF/ACF Pro, Sage, and Bedrock architecture. Strong command of PHP, HTML, CSS, and JavaScript. Proven track record of delivering high-performance, SEO-optimized websites with 90+ PageSpeed scores. Skilled communicator who collaborates effectively with designers, SEO teams, and project managers to ship projects on time.

WORK EXPERIENCE

March 2024 - Present

Sr. WordPress Developer | Teqto Infotech

- Led development of custom WordPress themes using Bedrock, improving maintainability and deployment efficiency by 30%.
- Built custom plugins and WooCommerce solutions including product variation displays, custom checkout flows, and AJAX-driven cart functionality.
- Converted Figma, PSD, and HTML designs into responsive WordPress websites using ACF Flexible Content.
- Delivered high-performance websites achieving 90+ PageSpeed Insights scores on both mobile and desktop.
- Implemented SEO best practices, schema markup, and caching strategies, resulting in 25-40% organic traffic improvement.
- Managed website migrations, DNS setup, hosting configuration, and staging-to-live deployments.
- Collaborated with designers, SEO teams, and project managers to deliver projects on time and within scope.

March 2023 - March 2024

Jr. WordPress Developer | Encircle Technologies

- Built scalable WordPress websites using Sage and modern development workflows.
- Customized themes and page builders (Elementor, Divi, WPBakery) to meet complex client requirements.
- Optimized site speed, reducing average load time by 35% through caching and asset optimization.
- Assisted with plugin customization, bug fixing, and cross-browser compatibility testing.
- Handled website migrations from local to live servers, domain setup, and hosting configuration.

June 2021 - April 2023

Jr. WordPress Developer | Webenix Technologies

- Developed custom WordPress themes and templates from scratch using PHP, HTML, CSS, and JavaScript.
- Converted PSD/Figma designs into pixel-perfect, responsive WordPress layouts.
- Built and maintained WooCommerce stores with custom product pages and payment integrations.
- Maintained and optimized existing websites for performance, UX, and SEO improvements.
- Handled website migrations, domain creation, and hosting configuration.
